

W. DAVID HAGER, M.D., FACOG
Curriculum Vitae Synopsis

Dr. W. David Hager is actively engaged in the clinical practice of obstetrics and gynecology with the large specialty group, Women's Care Center in Lexington, Kentucky. He holds the appointment of professor and consultant in infectious diseases in the Department of Obstetrics and Gynecology at the University of Kentucky School of Medicine. He is director of the University of Kentucky affiliated residency program in OB-GYN at Central Baptist Hospital in Lexington.

Dr. Hager is a graduate of Asbury College (BA) and the University of Kentucky School of Medicine (MD). He was an assistant surgeon in the Sexually Transmitted Disease Division at the Centers for Disease Control and prevention in Atlanta, Georgia and was an instructor in OB-GYN at Emory University Medical School.

Dr. Hager is widely published in peer-reviewed medical journals with an emphasis in the subspecialty of infectious diseases in OB-GYN. He is the author of numerous textbook chapters, co-editor of the textbooks, *Protocols for Infectious Disease in Obstetrics and Gynecology*, (Blackwell Science) and *The Reproductive Revolution* (Erdhman's). He is the author of *Women at Risk* (Bristol House Ltd), *Stress and the Woman's Body*

Dr. Hager has presented scientific papers at major medical organizations. He has participated at consensus conferences at the National Institute of Health, the American Academy of Sciences and The Centers for Disease Control and Prevention. He has testified before U.S. Senate and House committees and the Kentucky State Legislature. He has spoken at Focus on the Family, The Center for Bioethics and Human Dignity, The Christian Medical and Dental Society, The Medical Institute as well as many medical school grand rounds and medical conferences.

He is past-president of the Infectious Diseases Society for Obstetrics and Gynecology, and the Kentucky OB-GYN Society. He is a member of the Focus on the Family, Physicians Resource Council, and the Advisory Board of the Medical Institute. Dr. Hager has been recognized by *Best Doctors in America*, *Good Housekeeping Magazine* and *The Ladies Home Journal* as one of the leading specialists in the field of obstetrics and gynecology and infectious disease in the nation.
